1. Judging

Judging at the THIRSTY Classic is something we take very seriously, but enjoy and have fun doing. Our competition staff does the very best to draw BJCP-qualified judges and professional brewers to evaluate entries. At least two qualified judges will judge every entry. We will store entries upon receipt in a large walk-in refrigerator to minimize character changes. We will try to minimize handling to avoid disturbing bottle-conditioned beers with natural sedimentation. Occasionally this is unavoidable and scores for appearance may reflect this. Judging will take place Saturday, May 14, 2011, at the Millstream Brewery located at 835 48th Avenue, Amana, IA.

THIRSTY is soliciting qualified judges and stewards. You will receive points for the Beer Judge Certification Program (BJCP). The THIRSTY Classic is a BJCP/AHA-sanctioned event. If you would like to participate as a judge or steward, please contact:

Judging Director **Pete Diltz** via E-mail at pdiltz@iowatelcom.net.

2. Score Sheet Return Policy

THIRSTY will process all score sheets promptly and return them in person, or via U.S. Mail. We will return score sheets to the address listed on the entry form. We will strive to post the results on the THIRSTY website (<http://www.thirstyhomebrew.org>) as soon as possible.

3. THIRSTY Classic Category and BOS Awards

Winners will receive ribbons for first, second, and third place in each style category. Judges are solely responsible for determining whether an entry is deserving of a ribbon. The THIRSTY Classic Committee will combine categories and/or subcategories as necessary to maintain competition integrity. In general, we will require that there be at least six entries in a category before we award a full set of ribbons.

The THIRSTY Classic Committee will also award a distinctive Best of Show prize, the Michael Hansen memorial trophy. The BOS round will consist of the entries taking 1st place in each category. All decisions of the judges, competition staff, and organizer will be final, without exception.
